

Monthly Ally Spotlight★

Working with more than twenty local religious congregations, Family Promise Montco PA provides emergency shelter for families with children.

They also host a two-year transitional housing program at an apartment building in Ambler, "Hope Gardens," and permanent supportive housing at duplexes in Ambler ("Hope Forest") and Lansdale ("Hope on Fifth").

Community Allies in Housing are organizations whose programs serve to make housing available and affordable for individuals in need of support for this basic human need.

Each month in 2023, Tri-County Suburban REALTORS® will spotlight a Community Ally.
