

## Monthly Ally Spotlight★

Since 1997, the Montgomery County Partners for Home Ownership (MCPHO), has been a voluntary coalition of public agencies, non-profit organizations, local banks, mortgage companies, real estate agencies and other housing related businesses. MCPHO is dedicated to educating the public about homeownership.

Community Allies in Housing are organizations whose programs serve to make housing available and affordable for individuals in need of support for this basic human need.

Each month in 2023, Tri-County Suburban REALTORS® will spotlight a Community Ally.
