

# #ALDERFERSARMY

PLEASE HELP SUPPORT THIS AMAZING FAMILY!

In June 2023, the Alderfer family received terrible news that turned their lives upside down. Shelly was diagnosed with Acute Myeloid Leukemia. Consequently, she was immediately hospitalized for 4 weeks receiving intense chemotherapy driving her into remission. Then, hospitalized again for two weeks in August/September receiving consolidation chemotherapy. Finally, on October 24 Shelly received a Stem Cell Transplant which ultimately is the best chance for a cure. She is at home recovering and doing well. Their family is looking toward the future and so grateful for each day! Understandably, Shelly has been unable to work since the diagnosis. To help ease the financial strain of this we hope you can join of us for a night of fun to help support this amazing family!

**We are having a Beef & Beer Benefit on March 2, 2024 from 6-10pm at Tylersport Firehouse.**

\*Tickets are \$50 each and this includes food, beer, wine and dancing with DJ Chet Light.

\*Order your tickets now as there are a **limited number available**.

\***To order tickets** please email Debbie Noland at [Debparealtor@gmail.com](mailto:Debparealtor@gmail.com) or text 215-913-2022.

**Adults only please!**

**Venmo: @AldersArmy**

**If you cannot make it to the fundraiser but want to donate, please feel free to do so!**

**Thank you!**
